RECEIVING FREIGHT DELIVERIES

The truck driver will provide you with a Bill Of Lading (BOL) or a Delivery Receipt (DR). Carefully inspect your freight BEFORE you sign the BOL/DR.

Red Flags to Look For When Inspecting Your Freight

- Tears in shrink-wrap
- Different colored shrink-wrap
- Loose items not wrapped on a pallets / skids
- Broken wooden pallets (AKA skids)
- Broken / missing banding
- More / less# of pallets / skids than listed on the BOL / DR

What To Do If There Are Damaged / Missing Items

- Be sure to make clear and legible notes of ANY issues, damage or discrepancies on the BOL/DR. You can write this information anywhere on the BOL/DR.
- Take photos of your freight delivery in the condition it was received.
- Inform the EverBlock team right away with any issues.

Proudly manufactured in the USA.

Example of how your freight will arrive on a pallet.

**IMPORTANT: Customers will be responsible for moving their pallets to their final destination. Carriers will unload to the curbside or loading dock unless specifically requested and quoted with your sales associate in advance.*
