Instantly convert a typical gymnasium into a true multi-purpose event space, suitable for trade shows, alumni events, receptions, corporate events, concerts and graduations. Large semi-rigid industrial carpet tiles lay over the floor to create a seamless carpeted area for events. EverCover® tiles protect gym floors and other sensitive surfaces such as stone and tile against damage, making it ideal for schools, recreation centers, and historic houses and event facilities.

Material

Homogeneous needle punched textile, fused to a rigid polyolefin backing.

Size

6.5' x 3.3'

Thickness

0.2"

Weight

13.67 lbs/mat
